Some tips to think about

The point of catering is that you don't have to do any of the work, but there are some things you might want to think about.

VARIETY IS KEY

Everybody has their favourites so we suggest ordering a minimum of two appetizer platters, two entrée choices or salads, and one or two side dishes for a party of 15. That way, all hungry parties leave happy.

DON'T FORGET DRINKS

We have a variety of Pepsi products to choose from.

TIMING IS EVERYTHING

Though we will take orders with a minimum of two hour same-day notice, we do suggest placing your order at least one day in advance.

MAKE YOUR SELECTIONS

Choose the food you know people will love. Don't forget brownies. People love brownies.

GIVE US A CALL

Call us during business hours, then pick up your order at the time you scheduled with us. Don't forget to say hi to everybody.
