CANADIAN BACK BACON SLIDERS

Historians believe that Peameal Bacon (AKA Back Bacon) originated in Toronto in the early 1900's, and was indeed the reason Toronto got its nickname "Hogtown". Well Peameal bacon is NOT only for breakfast anymore.

We've taken tender slices of back bacon, seared to perfection and topped it with real cheddar cheese, tangy dill pickle slices and sweet BBQ sauce, then sandwiched them between freshly baked slider buns.

Served with 100% Canadian fries.
